Council Service Center Adverse Weather Policy

With our first major snow of the 2018-2019 winter the council would like to remind our community about our adverse weather policy. The council follows the lead of the Canton & Marlborough school systems when setting it's adverse weather policy. If Marlborough Public Schools close, so does the Marlborough Service Center and if the Canton Public Schools close, so does the Canton Service Center. If the Marlborough

or Canton Public Schools announce a delay (1 hour delay for example) the respective council service center delays it's opening by the same time. We encourage everyone to follow the weather and school closure reports of our media partner WCVB Channel 5 in order to stay informed and up to date on school closings and weather alerts.

Pack 100 Westborough's Overnight at Nobscot

Has your Unit visited the Nobscot Scout Reservation? Pack 100 Westborough had a successful visit recently. Enjoy their pictures and story of:

The trip that was unanimously voted "The Best Overnight the Pack has Ever Had" by its participants.

First you should know that the weather was rough, it poured cats and dogs the day before and all morning. Even with the rain the Scouts did their appointed rounds with "Scouting for Food" on the morning of the 3rd. Then the pack totaling over 80 Scouts and parents headed up to Nobscot where the camp was already set up by Cubmaster Mr. William Bramley.

As car after car pulled in, Mr. Bramley was outside directing families on where to park and

helping them to the site. We had 24 people in the Henderson Cabin and another 20+ tents set up right outside.

Cubmaster Bramley led the scouts on a 2 mile hike to the top of the camp before dusk and then again after breakfast. Lion Den Leader Renee Schoch led the Lions on their own nature walk, they had a blast.

While dinner was being prepared the scouts enjoyed a long game of kickball in the field and played until there was no more light. These scouts could teach the majors a few things about sportsmanship being that the final score was 20-19.

Cubmaster Bramley is not only just a great leader but a CHEF in all senses of the word. For dinner, he made Mac n Cheese and Hot Dogs for the younger Scouts (However the big Scouts and adults took part too, as it was awesome) He had also prepared handmade kabob skewers for the big event. We have vegetable kabobs, chicken kabobs, and sausage kabobs! There were also several vegan and vegetarian options too.

Just when you thought it could not get better, desert time came. Cubmaster Bramley with the help of the Scouts made many chocolate frosted cakes right there in the cabin. He also made an upside down pineapple cake for the adults that would rival the best bakeries in the North End. But I would be remiss if I did not mention the S'mores that were enjoyed by all.

But the food still did not stop there!

At 5:00 am, Cubmaster Bramley was up in the kitchen preparing breakfast. With the help of the oven and 2 portable stoves he

brought. Mr. Bramley made the best Cub Scout breakfast that included a ton of pancakes, sausages, coffee, milk and juice.

It was fantastic that the Scouts woke up to the smell of fresh hot pancakes wafting in the air. What better way to start your day than with fellow Scouts, parents and a world class camp chef. Our Cubmaster Mr. Bramley is an inspiration to our pack and could teach a few things about fine dining in the woods.

By 11:00 am the clean up was finished, everyone helped right down to the lions who had a contest to see who could get the most trash picked up. We certainly left Nobscot in a better shape than we found it.

Any background information you can provide on why you feel the nominee would be qualified will be most appreciated.

Youth Protection Training

Reminder...

The BSA released a new YPT program in February '18. All registered adults must take this version of YPT. We want to say thank you to all who have taken the time to do this... but also remind everyone that we need the rest of our leaders trained before the end of the year. If you haven't taken the new YPT by the time your unit renews its charter for 2019, your registration will be dropped. We need to comply with national policies and make sure all leaders are up to date on

how to prevent, recognize, and respond to abuse. Our youth deserve no less!

If you need to take YPT, go to <https://my.scouting.org/> and take it today. If you have already taken the new YPT (for example, a live session this summer or fall) but you are still receiving notifications that your training is out of date, please contact our volunteer training chair (chris.lamie@gmail.com) or your district training chair and they will try to help you get your record straightened out.

PUMA PATROL

Serving on the Puma Patrol will place 18-26 year old staff in the driver's seat of leading the 2019 World Scout Jamboree's cultural and social experience. As a member of the Puma Patrol you'll impact the lives of hundreds of Scouts on a daily basis as a WSJ social director and ambassador. At the World Jamboree, staff members are known as ISTs, or International Service Team.

Jamboree Hosts

Front Door to the WSJ Puma Patrol ISTs will form a team with 200 other young adults from the three host nations, Canada, Mexico and the United States, as one of two groups of Rovers. dedicated to making the jamboree a success. We embody the host spirit—fulfilling the unique responsibilities of welcoming Scouts from around the world to our home in the Summit.

We'll help contingents get settled, answer questions, and keep everyone in great spirits. Our goal is to brighten a participant's experience during every inter- action, through random acts of kindness and leader- ship through customer service.

Jamboree Social Directors

Young People Leading Young People. Puma Patrol ambassadors need a "can-do" attitude, high energy, and excellent communications skills. Participants will find us on a daily basis in each of the Summit's 16 sub- camps.

We're looking for the folks who love to emcee campfires, lead team development games, facilitate evening reflections, or break down barriers between cultures. Think about an experience at a summer camp, high adventure base, or NYLT – we'll embody those "commissioner", "ranger/foreman/interpreter", or "guide" roles in helping people

access their adventure and connect with the people around them!

Jamboree Pathfinders

Facilitating the Mountaintop Experience

We will also help jamboree participants navigate daily adventures to the highest point at the Summit, Mt. Jack. As part of this unique trek, Puma Patrol ISTs will ensure participants are prepared for their hike, support public safety responses to lost Scout or inclement weather situations, and help with Mt. Jack information platforms and campfire programs.
