Alyssa B. Earns 2023 Eagle Scout Project Prize

Troop 424 G Marshfield Scout also took regional accolades...

Marshfield, Mass. – The Mayflower Council NESA Committee proudly announces Alyssa B. of Troop 424 Marshfield as the distinguished winner of the council's 2023 "Adams Eagle Scout Project of the Year."

The National Eagle Scout Association established the Glenn A. and Melinda W. Adams National Eagle Scout Service Project of the Year Award (ESSPY) to recognize valuable service of an exceptional nature by an Eagle Scout candidate to a religious institution, a school, community, or other entity through completion of an Eagle Scout project.

Examples of projects selected for the ESSPY include undertakings that have benefited underprivileged children and recognized veterans, have been international, and require significant time and resources.

Working on the project with fellow Marshfield Scouts.

Alyssa's project created an octagonal fire pit pergola for the Boys and Girls Club of Marshfield. The structure included six hanging porch-style swings, a multiuse whiteboard, a firewood holder, a stone fire pit, and four benches. The entire project measured 24 x 24 feet.

The selection of recipients begins locally through the council NESA committee. The council selects a recipient for their respective council from the list of submitted nominations and then forwards a worthy candidate to the National Eagle Scout Association for regional consideration.

As such, Alyssa's exceptional dedication and commitment have earned her recognition beyond Massachusetts and the Territory Project of the Year, catapulting her to the national stage.

Following in the footsteps of previous winners, including Owen E. from Troop 193 Easton in 2022 and Eric H. from Troop 28 Cohasset in 2021, Alyssa's remarkable achievement marks the third consecutive year of Mayflower Council representation at the national competition.

As the Mayflower Council looks toward the future, the 2024 application period promises to continue the tradition of excellence established by Alyssa and her predecessors.

Congratulations to Alyssa B. and all those who have contributed to this remarkable achievement.
