

Big Summer Camp News From Mayflower Council

Dear Mayflower Families,

Like you, we are very excited and looking forward to Summer 2023 and everything that comes with it. First and foremost in that recipe for summer fun is summer camp.

Coming out of the pandemic, and as we look to utilize our council's community spaces to their best ends, we have decided on the makeup and presentation of our summer camp program.

This summer, we will center our overnight programs at Camp Squanto and our day programs at Camp Resolute. This strategic change will help us concentrate our promotional efforts for each program in a single location and maximize our program offerings at each camp. As such, it will also help us to ensure we provide the best possible camp experience to our campers and leaders.

Given the long history of the council's work at both locations, we were reluctant to take this step. However, now that we have taken that first foray into a new era of the Mayflower Council's summer camps, we feel strongly that we have made the correct decision.

Any troop that has reserved space for the 2023 Camp Resolute season has been personally contacted and offered the opportunity, and several incentives, to try Camp Squanto. If a unit should choose to attend another camp, we will refund their site deposit fee.

Meanwhile, in this new era, we feel confident that we are staying true to the Scout Law, the council's mission, and current best Scouting practices.

After all, Baden Powell said, “A week of camp life is worth six months of theoretical teaching in the meeting room.” And we believe that this is true whether it be in a day camp or overnight camp setting.

If you have any questions or concerns, please email Rick Riopelle, Director of Field Service.

Yours in Scouting,

Ian Johnson

Outstanding Eagle Scout Award

The National Eagle Scout Association (NESA) Outstanding Eagle Scout Award (NOESA) was established during the BSA's 100th Anniversary in 2010 with the first recipient to receive the award a year later. The award was created to recognize notable Eagle Scouts who had either performed distinguished service at the local, state, or regional level or who were known nationally, but had not yet met the 25-year tenure as an Eagle for the Distinguished Eagle Scout Award. Often, worthy candidates for the NOESA have inspired others through their actions and have devoted a lifetime to their profession, avocation, community, and beliefs, at great sacrifice to

themselves and their families.

The NOESA has gained prominent standing among Scouting recognitions. Previous recipients include famous authors, explorers, television personalities, military flag officers, scientists, government officials, and prominent businessmen.

The selection of recipients is made by the local council NESA committee (which may utilize a NESA awards sub-committee), Scout executive, and council president. Each recipient's actions and accomplishments should elevate the stature of Eagle Scouts in the public eye. Therefore, not all nominations are acted upon, and a substantial percentage of nominations are declined.

Nomination forms should be emailed to: nesa@mayflowerbsa.org or mail to:

Mayflower Council, BSA, 83 Cedar Street, Milford, MA 01757

Nominations are due annually by December 1.

Service Project Of The Year

The National Eagle Scout Association established the Glenn A. and Melinda W. Adams national Eagle Scout service project of the year award (ESSPY) to recognize valuable service of an exceptional nature by an Eagle Scout candidate to a religious institution, a school, community or other entity through completion of an Eagle Scout project.

Examples of projects that have been selected for the ESSPY include projects that have benefited underprivileged children, recognized veterans, been international in nature, and have required significant time and resources.

The selection of recipients begins at the local level and is conducted through the council NESA committee (which may utilize a NESA awards sub-committee). The council NESA committee selects a recipient for their respective council from the list of submitted nominations and then forwards a worthy candidate to the National Eagle Scout Association for regional consideration.

Mayflower Council NESA committee will present a \$250.00 scholarship. The winner will then be placed in the regional level.

Please submit the form below to NESA@Mayflowerbsa.org for consideration.

Regional ESSPY recipients are selected by each council's regional NESA scholarship committee. Regional recipients will receive \$500, to be available for their future educational purposes or to attend a national or international Scouting event or facility. (Local council will also receive a \$500 award.)

The recipient of the national award is then selected among regional recipients by a special selection committee of the National Eagle Scout Association. National recipients will receive \$2,500, to be available for their future educational purposes or to attend a national or international Scouting event or facility. (Local council will also receive a \$2,500 award.)

All nominations are due annually by

January 31.

Congratulations to Jim Quinlan on his receiving the Daniel Carter Beard Award from Plymouth Lodge of Masons. Established in 2001, the Award recognizes the strong relationship the Freemasons have had with Scouting since it's founding in 1910. Online Registration for Adult Leaders

Now available! Updates have been made to the national registration system that allows us to accept adult applications online. Now your unit can skip the paper and use a much more efficient and secure method to register adults.

In compliance with Massachusetts law, our council's policy is to ensure that adult volunteers have the required Criminal Offender Records Information (CORI) before registering with the BSA and working with youth. This process is separate from the online registration system and should be completed before registering, just like submitting hard-copy adult applications.

The unit (chartered org. rep. or assigned delegate) approves online adult applications. Please watch the video below for review. If a volunteer is approved by the unit but doesn't have the required CORI completed, we will suspend registration until the CORI has been verified. The applicant and unit key-3 will be notified if registration is suspended.

With this in mind, online adult applications are live and **effective January 1, 2023: adult applications are to be completed and submitted using the BSA Online Registration**

System.

Please be aware that online registration is not currently available for youth-to-adult transfers. Paper applications are still needed for this function, but you can email the electronic version of the adult application to membership@mayflowerbsa.org.

We know that some will recognize this as another significant change to their routines. However, we all know that a Scout is Brave (and Cheerful).

Please contact the Membership & Unit Service Team if you have any questions or join us during any of our upcoming Live Office Hours, where we can answer all your questions.

About The Good Scout Award

The Good Scout Award is bestowed upon individuals who have demonstrated integrity and genuine concern for others in both their professional and personal lives.

The recipients need not have been Scouts but must carry the "Spirit of Scouting" into their adult lives. They are people who have been unselfish in their service to others on an individual and community basis. They seek no return for their service other than the satisfaction of aiding their fellow citizens, their community, and their nation.

The Good Scouts are people who truly capture the respect and imagination of our youth.
