

George WP Magee Memorial Trust Donates \$40,000

The Mayflower Council recently received a generous capital gift of \$40,000 from the George W. P. Magee Memorial Trust to fund two major camp projects at Camps Squanto and Resolute.

The first project involves building a new program pavilion at the shotgun range at Camp Squanto (located in the LeBaron R. Barker Scout Reservation and the Myles Standish State Forest in Plymouth), while the second project entails installing a new metal roof at the Handicraft Lodge at Adventure Day Camp at Resolute (situated in the E. Paul Robsham, Jr. Scout Reservation located on Little Pond in Bolton, Massachusetts).

The Mayflower Council, established in 2017, is a result of the consolidation of Scouting programming that has served Greater Metro West and the South Shore areas of Massachusetts for over a century.

Comprised of territory that was once part of the Algonquin, Norumbega, Knox Trail, Squanto, and Old Colony Councils and stretches from Stow to Plymouth, Mass., the Mayflower Council is rich with the traditions and history of generations of scouts and scouting families.

Mayflower Council Director of Development James Corcoran expressed gratitude towards the Magee Trust for their continuous support, stating that the council and its predecessors have received over \$2,234,375 in capital and camp scholarship projects since 1944. "The Council is very grateful to the Magee Trust for their continued generosity," added Corcoran. "We could not have done these projects without the annual support of the trust." The George W. P. Magee Trust is a private trust that exclusively distributes income to Boy Scout Councils headquartered in Massachusetts for capital

projects and camp scholarships.

Since its inception, The Magee Trust has distributed over \$10,700,000.00 to Massachusetts Boy Scout Councils.

Scouts BSA Summer Camp 2023 Season Kick Off

Join us to hear from our Camp Leadership Team about our 2023 Scouts BSA, Venturing & Sea Scouting camp programs. Moritz Schmid, Mayflower Council Vice President of Program will kick-off the meeting. We will then provide an update on the plans to improve upon and upgrade last year's program and administration.

Big Summer Camp News From Mayflower Council

Dear Mayflower Families,

Like you, we are very excited and looking forward to Summer 2023 and everything that comes with it. First and foremost in that recipe for summer fun is summer camp.

Coming out of the pandemic, and as we look to utilize our council's community spaces to their best ends, we have decided on the makeup and presentation of our summer camp program.

This summer, we will center our overnight programs at Camp Squanto and our day programs at Camp Resolute. This strategic change will help us concentrate our promotional efforts for each program in a single location and maximize our program offerings at each camp. As such, it will also help us to ensure we provide the best possible camp experience to our campers and leaders.

Given the long history of the council's work at both locations, we were reluctant to take this step. However, now that we have taken that first foray into a new era of the Mayflower Council's summer camps, we feel strongly that we have made the correct decision.

Any troop that has reserved space for the 2023 Camp Resolute season has been personally contacted and offered the opportunity, and several incentives, to try Camp Squanto. If a unit should choose to attend another camp, we will refund their site deposit fee.

Meanwhile, in this new era, we feel confident that we are staying true to the Scout Law, the council's mission, and current best Scouting practices.

After all, Baden Powell said, "A week of camp life is worth six months of theoretical teaching in the meeting room." And we believe that this is true whether it be in a day camp or overnight camp setting.

If you have any questions or concerns, please email Rick Riopelle, Director of Field Service.

Yours in Scouting,

Ian Johnson
Council President

Council Commissioner

Resolute Ramps Up the Outdoor Experiences

So, it's March. The Freeze-Out is done. The Klondike Derby is over. Meanwhile, there are only so many times you can play "Manhunt" in and around your troop, pack, or den meeting space.

Moreover, you have some Scouts who need, need, need to do something – anything – outdoors. Well Scouters, we here at your Mayflower Council have the solution. Actually, we have many solutions.

Resolute Base Camp continues this month, and runs programs into June (and returns in the fall, too).

Here are the deets:

- Resolute Base Camp Outdoor Experience is a daytime program offered on weekends at Camp Resolute in Bolton, MA. Outdoor Experience is an exciting new program offered on weekends throughout the year. It can be a fun bonding experience or outing for families, Scouts, and units.
- All activities are run by trained and certified staff. Units can work towards specific advancements and awards while non-Scouts can participate in fun outdoor activities and skills development. Outdoor Experience is designed to allow participants to go at their own pace.

- Outdoor Experience is open to all youth **currently** in grades K-12. *A parent/guardian or unit leader must stay with any youth attending Outdoor Experience.*

Okay, okay. I get it. I had you at “Resolute Base Camp.”

Temperature Drops But The Fun Factor Stays High

Cub Scouts can #AdventureOn during the winter months...

Yes, it’s cold. Yep, it’s snowy. However, just like Scouts BSA, Cub Scouts can still find outdoor fun, too.

That was the theme of a recent repost of a 2010 article entitled, “Hot tips for cold-weather fun with Cub Scouts.”

For *Scouting*, Mark Ray wrote:

Tim Tocket, a Scouter in Pen Argyl, Pa., always thought the BSA had a rule forbidding Cub Scouts from camping when temperatures dipped below 32 degrees. Not so. The “Age-Appropriate Guidelines for Scouting Activities” states that only Scouts BSA members and Venturers may participate in winter camping. But the addition of heated cabins (when you follow appropriate Youth Protection guidelines) can make winter activities with overnight stays suitable for Cub Scouts. With cabins available, a Scout who gets too wet, too cold, or too tired can head inside.

Of course, *The BSA Guide to Safe Scouting* is the definitive list of rules and guidelines for winter camping and sports. However, Ray pointed out a few general thoughts about Cub Scouts in the cold.

Tips included:

- *Give plenty of packing guidelines to parents and adult leaders and stress layering for warmth...*
- *Pack extra items of everything warm. Domino suggests bringing a stash of extra hats and mittens for Cub Scouts whose gear gets wet, lost, or forgotten...*
- *Remember hydration. Campers need plenty of fluids, even in the cold.*
- *Offer plenty of hearty food, and keep meal preparation simple.*
- *Cancel or postpone if the forecast calls for heavy snow or extremely low temperatures*

Even better, in yet another article, "Making Winter Fun for Your Cub Scouts," Ray said, keep the C-O-L-D in mind.

Clean: *Keep your insulating layers clean and fluffy. Dirt, grime and sweat can reduce the warmth of a garment.*

Overheating: *Adjust your layers of clothing to match the temperature, and stay hydrated by drinking plenty of water.*

Loose Layers: *Wear several loosely fitting layers of clothing and footgear to get maximum insulation without impeding your circulation.*

Dry: *Sweaty, damp clothing can cause your body to cool quickly. Avoid clothes that absorb moisture, and keep clothing around your neck loose to let body heat and moisture escape.*

Looking at the weather forecast for tomorrow at Camp Resolute:

34-degrees and cloudy.

Sounds like it's time to **#AdventureOn**.

The Joy of Dutch-oven Cooking

This time-honored Scout tradition need not wait until your next campout...

At our most recent Scout Troop Court of Honor, among various and sundry cookies and brownies and doughnuts, there was one, very popular, dessert.

Prepared by our Scoutmaster (and Eagle Scout), his Pineapple upside-down cake went fast. A BSA tradition, pineapple upside-down cake is cooked in another scouting staple – a Dutch oven.

Back in 2016, Tim and Christine Connors broke down the basics of Dutch-oven cooking.

“Dutch-oven cooking is as much a part of Scouting as tying knots. But learning to cook in a Dutch oven can be a bit intimidating. After all, they can be heavy and kind of messy, and the cooking style involves a little math.”

But a Scout is brave. And a Dutch oven is a really excellent tool.

“A Dutch oven is such a versatile cooking tool that when you bring one to camp, it's like bringing the kitchen from home,” added the Connors. “It can be used to fry, sauté, bake, stew, roast, or slow-cook – any time of day and for nearly any type of meal.

“It's not uncommon for a single recipe to involve several

cooking methods using the same oven.”

And the article, entitled, “A Dutch-oven cooking primer” includes tips on getting started with a Dutch oven, additional tools, cleanup, storage, safety tips, and recipes.

Check out the story here.

Then enjoy the video recipe for pineapple upside-down cake.

Who Doesn't Love A Treasure Hunt?

An interesting piece of Camp Resolute history was recently re-discovered thanks to some historical research, impeccable timing, top-notch observational skills, and a little bit of good fortune. A memorial stone bearing an inscription dedicating the dining hall fireplace to Sir Robert Baden-Powell was recently re-discovered in a debris pile slated for disposal. The hunt for the stone is only part of the story. The stone itself and the builder of the fireplace directly connects Resolute with the founder of the worldwide Scouting movement.

Summer 2021 Camp Staff Opportunities

We are excited to be opening both camps this summer after a very difficult year and a couple months of limited opportunities for our Scouting families as we've continued to work through this pandemic. Unfortunately, the pandemic has created an environment where the summer camp staff member pool is more limited than usual, leaving us with a handful of vacancies.

In both Resolute and Squanto, we could use a handful of additional program staff, especially in aquatics, but also in sports, Scoutcraft, handicraft, COPE/climbing, and ecology. At Resolute's Adventure Day Camp, we are also in need of den leaders. Additionally, Resolute also has a couple of key vacancies we are continuing to work toward filling, including program director (at Adventure Day Camp), climbing director, and shooting sports director.

Please consider working at one of our camps if your schedule allows it. Otherwise, please share this with others whom you are in contact with regularly and whom you believe has the capacity to serve in this role.
