

Life-to-Eagle Presentation

Seminar

This year, 2021, the council advancement committee has committed to offering five Life-to-Eagle seminars.

These seminars are for educating our prospective Eagle Scouts to learn what needs to happen to advance to Eagle Scout. These seminars can also be incredibly helpful for Scoutmasters, Eagle coaches, advancement chairs, and committee chairs; and all districts are welcome to attend any of the presentations, the necessary information is the same for all districts, and we will touch on any small differences.

For those who attend, the slide show is available below for you to review at any time.

Spring Training Priorities

Our current training offerings continue to be limited as we abide by restrictions on group gatherings, council-run activities, and overnight camping. The state's recent relaxing of restrictions gives us more options, but we still need to proceed wisely and safely to protect our volunteers. We appreciate everyone's understanding!

Here's where we're focusing planning efforts this spring:

1. BALOO. BALOO training is still required if you take Cub Scouts camping. We know several packs who've been stuck because of this BSA rule. That's why the first overnight training we run will be BALOO. **Please save the date—May 1-2!** We don't know yet if we'll be able to run a full in-person BALOO with modifications (smaller groups, less shared equipment, changes to cooking, etc.) or if it'll be a hybrid approach. But we commit to running a course that covers all the BALOO requirements on that weekend. Registration opens soon!

2. Wilderness First Aid. Philmont recently announced that at least one adult leader on every trek this summer must have current WFA certification. So we're working to make sure there's a way to take WFA this spring. We've found a newly available BSA-approved course that combines online learning with a modified hands-on skill session. **March/April/May dates to be announced.** Spots will be limited, so we'll give preference to people who need it for treks this summer.

3. CPR. CPR is a pre-requisite for WFA. We know there's also a lot of demand for recertification. We've been developing a plan to run CPR training with partial online learning and physically distanced manikin practice. **March/April/May dates to be announced.**

Upcoming Training

° = pre-registration required * = online registration open
* = counts toward basic  requirements for adults

Mar 30	Scoutbook Software Basics and Q+A
May 1-2°	BALOO (camping skills for Cub leaders)
TBA °	CPR
TBA °	Wilderness First Aid
Sept 25-26°	Leave No Trace Trainer
TBA °	Wood Badge (fall 2021 options)

In the Meantime...

- We encourage everyone to take as much training as they can get online. It's available 24/7 at <https://my.scouting.org>.
- If you're looking for official position-specific training, almost all of it can be done online. We hope to be able to offer in-person versions when it's safer to do so—hopefully by the fall!
- If you're looking for IOLS training (outdoor skills for Scouts BSA leaders) or Leave No Trace trainer training, we're aiming to run these overnight courses in the fall.
- Keep an eye on the weekly council newsletter for announcements about additional online sessions.

Cub Scouts Continue To Meet During COVID

Here's How Pack 1620, Plymouth Continue to Meet During the Winter Months Despite COVID.

Thanks to their charter organization, Rotary Club of Plymouth and One-Stop Painting & Renovating they are providing fabulous programs that keep the Cub Scouts coming back! Den Leader Cory Mace went to the Rotary Club and asked if they knew of a local business who would be willing to open up space for the pack until their regular meeting location is available again. Jeff Cohen, owner of One-Stop Painting was happy to help out.

2020 North Star Recipient

The North Star Award is a high-level award presented by councils on the behalf of the National Court of Honor for nonregistered volunteers who have made a significant contribution to Scouting; on same level as the Silver Beaver Award, which is for registered volunteers.

Mayflower Council would like to congratulate Patrick Maher as the 2020 North Star Award recipient.

Patrick F. Maher

Patrick was born in Brooklyn, NY into a family deeply rooted in a service culture including teachers, librarians, military, and religion. His first volunteering was in his church. His family moved to Newton just as he and his two brothers reached the age of Scouts BSA and joined Troop 31 in legacy Norumbega Council while his sister joined Girl Scouts. His father, an Eagle Scout, class of 1936, became Patrick's model for living the Scout Oath and Law. Following his brothers, also Eagle Scouts, Patrick achieved Eagle Scout at 12 years and 11 months. Many activities required for the six ranks and merit badges were completed at Nobscot Scout Reservation. In addition to troop leadership and instructor positions, Patrick was active in Musketahquid Lodge as a Vigil Honor member, serving as Chief of the Watanka Indian Dance Team. He worked

at Hidden Valley Scout Camp for two summers serving as archery instructor and outpost activities director.

Patrick's educational path included graduating Boston College High School (with honors) and Boston College (two degrees: College Arts & Science – BA, Mathematics and Carroll School of Management – MBA, Information Systems). Those three degrees combined with his Eagle Scout rank allowed Patrick to claim quadruple Eagle status.

Patrick's professional career consisted of 30+ years of successful global experience in sales, sales management, and sales training in the technology industry for IBM, Wang Laboratories, Honeywell Bull Systems, and SolidWorks. For 17 years he taught/coached sales skills, tactics, and strategies to sales people and managers in direct and indirect channels.

As his three sons grew older and became deeply immersed in youth sports, Patrick joined in with them coaching little league, youth soccer, youth basketball and YMCA youth sports. In addition, he served on the board of directors for little league and youth soccer. His volunteering with 70 youth sport teams spanned 24 years.

As a champion of open space, Patrick has served as a member of the Waban Improvement Society, was elected to the Waban Area Council, the Newton Tree Conservancy and for over 10 years has been a self-appointed 'park ranger', where he regularly provides trail maintenance for Newton's Cold Spring Park. Patrick has also volunteered with Habitat for Humanity, WGBH Telethon, and is a regular blood donor to the American Red Cross.

Patrick is a founding member of the Nobscot Alumni Association and a proud participant with the Nobscot Hammer Crew providing service to Nobscot every week. He also provides guidance for units wanting to conduct volunteer service to Nobscot.

Patrick considers himself fortunate to have benefited from

many adults' and friends' guidance. One was Ed Bearfield, his Scoutmaster. Mr. B regularly told his Scouts to leave their campsite better than they found it. It took time for Patrick to realize he was not just talking about his weekend campsite at Nobscot. His referenced "campsite" was actually one's life's journey. Patrick has followed his Scoutmaster's guidance in many different aspects of his life including family, friends, community, and career. It has been his "North Star" through his life.

2020 Silver Beaver – Peter

Lanciano

The Silver Beaver Award is the council-level distinguished service award of the Boy Scouts of America. The Silver Beaver is an award given to those who implement the Scouting program and perform community service through hard work, self-sacrifice, dedication, and many years of service. It is given to those who do not seek it.

**Peter L.
Lanciano**

Peter is an avid outdoors person who enjoys the challenge of building things – whether they are companies, buildings, developing committees or crafting furniture. Without question Peter is up for most mechanical and personnel tasks of all sizes.

Peter has been involved in Scouting and Exploring for over 50 years. While he enjoyed his early years with Troop 333 in legacy Norumbega Council, he excelled in Exploring as president of the accounting Post 533 sponsored by Honeywell. Later on, after establishing his family, Peter served in multiple roles with Troop 4 Milford for nearly two decades. Dad to three Eagle Scouts (Luke, Gabe, and Sam), Peter is

especially proud that they exceeded his early Scouting accomplishments. Peter particularly enjoyed the numerous 50 plus mile backpacking and canoeing events with his sons and the troop.

In addition to serving on the Mayflower Council Executive Committee, Peter serves as co-chairperson of the future council capital campaign and a member of the properties and maintenance committee. An avid supporter of Nobscot Scout Reservation, he is a founding member of the Nobscot Alumni Association and provides extraordinary service with the Nobscot Hammer Crew. Peter doesn't just have a 'can-do' attitude – he has a 'let's go beyond' attitude. He provides a long-term vision for our volunteers and consistently sees needed work projects – then steps up to provide leadership to get it done. Peter alone is responsible for acquiring thousands of dollars in donations of materials for our camp. He is not content to sit on the sidelines, Peter installs cabin windows, rehabs cabin interiors, cuts firewood, grades parking lots (with his own tractor!), rebuilds lean-tos and so much more. For Peter, the bottom line is always what can we do to enhance the experience for kids.

In his professional life, Peter currently serves on two private life science board of directors – one as chairman and the other as chair of the audit committee. Peter is formerly the CEO and co-founder of two successful public life science companies and has over three decades of experience as the CEO in conceptualizing, developing, and financing international life science companies.

Peter has broad-based expertise in the area of corporate strategy and governance for public, private and non-profit companies as well as in-depth experience in product development, commercial launch, finance, mergers, acquisitions and asset sales. He is trained in accounting and computer information systems design, Bentley University, CPA, CDP, CISA and NACD Fellow.

We are pleased by Peter's commitment to Scouting and that he chooses to lend his considerable expertise and talents to the Scouts and Scouters of Mayflower Council.

2020 Silver Beaver – Jim McKnight

The Silver Beaver Award is the council-level distinguished service award of the Boy Scouts of America. The Silver Beaver is an award given to those who implement the Scouting program and perform community service through hard work, self-sacrifice, dedication, and many years of service. It is given to those who do not seek it.

We are extremely proud of our 2020 Silver Beaver Award recipients. They are shining examples of Scouting service in our council!

James McKnight

Jim has been in Scouting since 1974. He was a Cub Scout in Pack 18 Weymouth, earning the Arrow of Light, a Boy Scout in Troop 19 Weymouth, achieving Eagle with a Silver Palm and

getting tapped out to the Order of the Arrow achieving Brotherhood. He stayed in touch with his troop, always being there when they needed something.

Many years later, when his own son joined the ranks of Cub Scouts, he was asked to be assistant Cubmaster in Pack 35 Bridgewater and remained in that position for 6 years. When his son James went to Boy Scouts, he went right along with him sharing his passion for Scouting and knowledge; both from his years of Scouting and all the many training courses he takes along the way.

After James visited troop 19 as a Wolf Scout and saw his father's name on their Eagle plaque, he told dad that he also wanted to be an Eagle Scout from Troop 19. After many years and positions in Troop 19 he was asked to be the 4th Scoutmaster of the troop, a position he has proudly held for 3 years. He has lead Scouts from that troop to Northern Tier and has been the assistant Scoutmaster for the National Jamboree in 2017. When the 2018 trip to Philmont was canceled due to the forest fires he was asked to help lead a backpacking trip, for those Scouts who were missing out, that would take them on many adventures through Colorado, Wyoming, Idaho and Utah.

He served as the commissioner of sub camp 4 at Mass Jam in 2018.

When he was asked to fill the role of district commissioner for the newly organized Squanto District he stepped in as a uniquely qualified candidate, having been heavily involved in both Great Ponds and Squanto Districts for many years. He cares deeply for each Scout and also for the Boy Scouts of America brand. He works hard to ensure that each Scout has a quality program to grow as a person and become the best adult that they can be, while at the same time making sure that the Boy Scouts of America is seen in the best possible light both within our ranks , and to the general public.

He volunteers at summer camp, chuckwagon, has lead the non-counselor group of volunteers at Merit Badge University and the Inaugural Thanksgiving at Squanto. He has previously sat on the activity committee to help bring new and exciting events to our district and will fill in on Eagle Scout board of reviews so every Scout that needs a board gets one. He is eager to help in any way that the council asks for his help.

He has completed Wood Badge training and uses that knowledge every day to help fellow leaders in their own programs. In 2016 he was proud to be nominated as a Vigil candidate by his peers and went through his Ordeal to obtain that honor.

He has also felt honored to be recognized both at a district level in 2017 with the District Award of Merit and at a council level with the James E. West Award in 2017 and the National Eagle Scout Association Outstanding Eagle Scout Award in 2018.
