

Stay Safe Special Shoulder Patch

Join us in supporting our frontline workers! We have designed a special limited edition Mayflower Council shoulder patch. Only 250 have been ordered and we will not be reordering. We will be donating 50% of the raised proceeds to support our local hero's fighting the coronavirus. Each patch is only \$20.00.

Pre-orders are being taken – order yours today before they are gone!

We have chosen to support Boston HealthCare for the Homeless (BHCHP) COVID program. We chose them because the homeless community was and is being hit hard by COVID. 1 in 3 homeless in Boston have had the virus. The population has unique and hard to manage needs. BHCHP has long performed outstanding service to this population with limited resources and under very difficult circumstances. They set up and ran COVID housing for homeless individuals with COVID, and managed all the health care issues outside the hospital, taking critical pressure off the hospital as we surged. They staffed Boston Hope at the convention center. They set up and ran 2 health tents in the city for homeless with COVID, and they handle(d) the health care needs across the cities shelters.

Camp Resolute & Camp Squanto Summer Camp Update

May 18, 2020

Hello Scouting Families,

As you've proven over the last few weeks, our Scouting communities are resilient, prepared, and able to adapt to any situation. Now, as we look ahead to the 2020 camping season, the question on everyone's mind is, "What is Scouts BSA resident camp going to look like and is it safe to attend?"

To alleviate some concerns, we thought it would be helpful to share with you our current decisions as well as modifications to our pre-camp preparations and to the camp experiences offered this summer.

First and foremost, the health and safety of our Scouting families, volunteers and staff remains our number one priority as we continue to adapt to this unprecedented situation. Our council continues to develop new plans and review existing procedures that will keep our Scouts and volunteers safe.

The decision to operate our council camps will be based on our ability to operate safely within the CDC's summer camp guidelines, in addition to recommendations from local, state and BSA authorities. **Rest assured that the council will only conduct camp if it is legal, safe, and practical to do so.**

This summer may not look like all the summers that have come before or any of the summers that will come after. What we do know is that camp plays a vital role in the lives of our Scouts and Scouters. At this time, we are taking steps to determine how we can best serve our Scouting community this summer.

As of today, May 18, 2020, we are announcing the following decisions:

The following camps and programs have been **cancelled** for 2020.

- Resident camping at Camp Resolute. All troops will be accommodated at Camp Squanto.
- National Youth Leadership Training: June 28 – July 4 at Camp Squanto
- Trail to Eagle Week: July 19 – 24 at Camp Resolute
- Venture Week: July 19 – 24 at Camp Resolute
- National Youth Leadership Training: August 2 – 7 at Camp Resolute

Scouts BSA resident camping at Camp Squanto has been **postponed** to later in the summer. The modified schedule is as follows:

- July 12 – 18
- July 19 – 25
- July 26 – August 1

- August 2 – 8
- August 9 – 15

The following Scouts BSA resident camp **modifications** will be made:

- Weekly attendance will be capped at 250 campers
- Tent occupancy will be limited to one camper
- Leaders will need to remain in camp for the whole week

For those that had signed up for any of these events, you will receive an additional email with steps regarding refunds, transfers, and additional information about the event. For any event cancelled you will receive a 100% refund.

So what can you expect this summer?

Just because some of our planned outdoor experiences cannot happen as expected, we are still committed to helping you and other families experience camp in a safe environment. We understand the importance of an outdoor in-person experience, and we will find ways to help your family experience the fun of camp this summer. It will look different from a traditional camp and that is ok. In the coming days you will see us roll out the opportunity to participate in a virtual Scouts BSA camp this summer, for those not comfortable with the in-person experience.

Allow us to share a glimpse of some of the additional elements of what “safely operating” our camps in this new environment will entail. While this list is not comprehensive and our review is an ongoing process, you can expect some significant updates to many of the following:

- **Check-in Screening** – Upon arrival at our camps, staff and participants will be screened and their temperature will be taken. Those with temperatures above 100.4 will not be allowed entry; those who travelled with them will also not be allowed entry.

- **Food Service** – We will be eliminating all self-service options during meals (including beverages and salad bars) and all serving will be done by trained staff.
- **Sickness at Camp** – Participants presenting symptoms of COVID-19 will be sent home.
- **Visitors** – Will not be allowed into camp.
- **Sub-camps** – Units will be divided into sub-camps within Camp Squanto to reduce exposure risk for participants. A number of activities will be managed within each sub-camp or on a scheduled rotation where cleaning can be done between groups.
- **Family Day & Closing Campfire** – Will NOT be held this summer.
- **Hand Washing** – Participants will be directed to wash their hands often. Additional hand washing and sanitizing stations will be available.
- **Accommodation Cleaning** – Camp provided lodging, such as tents and cabins, will be disinfected before new participants arrive.
- **Shower Houses & Restrooms** – Shower houses and restrooms will be cleaned 3 times a day.
- **Protective Gear** – We will be reviewing best methods for use of gloves, masks, etc., while on our properties.
- **Camp Equipment** – We will properly sanitize all community and reusable program equipment after each use.
- **Social Distancing** – We will avoid activities where appropriate social distance cannot be maintained.

These items and many more are all under review as part of the comprehensive evaluation now underway of our standards and policies. As we move forward, you can expect a comprehensive list complete with instructions.

We thank you for your continued commitment to Scouting and for helping us prepare and adapt to any situation. We will continue to monitor the situation daily and relay any updates as they become available on our council website and through

our social media channels. If you have specific questions please email them to covid19@mayflowerbsa.org and we will respond to them as quickly as possible.

Please stay safe and keep Scouting!

The following Adventure Day Camp **modifications** will be made:

- Weekly attendance will be limited to 36 participants

For those that had signed up for any of these events, you will receive an additional email with steps regarding refunds, transfers, and additional information about the event. For any event cancelled, you will receive a 100% refund. If you are interested in signing up for Adventure Day Camp we suggest doing so soon, as we anticipate camp selling out given the reduced capacity.

Inaugural Class of Female Eagle Scout Extension

Details on Extension for Eagle Boards of Review for Those Who Wish to Be in the Inaugural Class of Female Eagle Scouts

These are historic times for our Movement. The coronavirus pandemic is having a direct impact in many Scouts' ability to continue on their trail to Eagle – especially having completed all their requirements prior to the boards of review that are to be held from 10/1-31/2020.

Because we want all girls who joined in 2019 and wish to be a part of the Inaugural Class of female Eagle Scouts to have the benefit of such an experience, and after carefully considering recommendations from stakeholders, including feedback from volunteers and professionals, we will be extending the period for boards of review from 10/1/2020 – 1/31/2021. To further support the Inaugural Class, all boards of reviews will be dated with the same date by the National Service Center.

While this notice discusses the Inaugural Class of female Eagle Scouts, the lengthening of the Eagle board of review window is applicable to all Scouts who were granted the inaugural extension, regardless of gender.

As a reminder, all requirements must be completed while the individual is a registered member of Scouts BSA, or as a member of a Venturing crew or a Sea Scouts ship after achieving First Class in Scouts BSA, per the Guide to Advancement.

Virtual Training Opportunities

April and May 2020

Mayflower Council has canceled or postponed all in-person training courses until it is safe for groups to gather again. In the meantime, we've set up a series of free online workshops to help Scouts and Scouters complete training requirements and gain skills and tools to run a successful program—even in challenging times. Please join us!

Online Training Workshops

Date and time	Course	Who it's for	Details
Wednesday, April 22, 2020 8:00-9:00 PM Register	Tools and Tips for Virtual Scouting	All adult leaders	During this pandemic, many packs and troops are finding creative ways to run online den and pack meetings, troop and patrol meetings, merit badge classes, and even virtual camping trips! Join us as we share some tips and success stories from the first month of "virtual Scouting." This one-hour session will be a great chance to learn about what other units are doing, which online tools work best, and how to set your online meetings up for success. This session will be useful for packs and troops who are trying to get started online, as well as those who are already doing it but are interested in learning new tips!
Thursday, April 30, 2020 7:00-8:30 PM Register	Troop Committee PST	Scouts BSA Troop Committee Members (and anyone interested in becoming one)	Learn how an effective Troop Committee can support a successful youth-led Scouts BSA troop. This course covers all the important functions that the Troop Committee should provide. If you're a member of the Troop Committee, this course is part of the requirements to earn the "Trained" patch. This course covers the same material as the version at https://my.scouting.org , but we're going to try to include the benefits of our in-person version, with more interactivity and the chance to meet and share ideas with fellow leaders.
Sunday, May 3, 2020 7:00-8:00 PM Register	Merit Badge Counselor PST	Scouts BSA Merit Badge Counselors (and anyone interested in becoming one)	Learn how Scouts BSA merit badges work, the roles and responsibilities of a merit badge counselor, and tips for helping Scouts learn skills and grow as individuals through the merit badge process. This course covers the same material as the version at https://my.scouting.org , but doing it together means we can have more useful interaction and discussion. We'll also share ideas for teaching merit badges online during the pandemic. At the end of this course, you'll be trained for your position and entitled to wear the "Trained" patch.
Tuesday, May 12, 2020 7:00-8:00 PM Register	Intro to ILST	Scoutmasters, ASMs, SPLs, and ASPLs	Introduction to Leadership Skills (ILST) for Troops is the first stage of the Scouts BSA youth leadership training program. It's designed to be taught within each troop, led by the Scoutmaster and SPL. This course (also called "Junior Leader Training" and many other things through the years) sets your Patrol Leaders and other youth leaders up to succeed by helping them understand their roles and responsibilities in running a youth-led troop. Our one-hour webinar on May 12 is <i>not</i> the actual ILST course (the actual ILST is 4 to 5 hours of material, and it should be taught within your troop). But it <i>is</i> an opportunity for Scoutmasters, ASMs, and top youth leaders (SPL, ASPL) to learn more about ILST! We'll talk about the course materials, suggest resources, and share examples and tips from troops about when and where to run ILST and how to make it successful and fun. If you'd like to "up your game" on youth leader training, join us on May 12!

Date and time	Course	Who it's for	Details
Sunday, May 17, 2020 7:00-9:00 PM Register	Cub Leader Basic Training: Part 1 of 2	All Cub Scout adult leaders	Join us for the official "position-specific" training for all Cub Scout positions! If you haven't taken the online training at https://my.scouting.org yet, join our webinar version instead. We'll try to include a lot of the interactivity that we get when we do this training in person, including the chance to meet and share ideas with fellow leaders. The national curriculum covers almost 4 hours, so we've split it into two evenings. After you complete both parts, you'll be considered trained for your position and entitled to wear the "Trained" patch. Part 1 includes aims and methods, pack and den structure, advancement, and other basics of the Cub Scouting program.
Sunday, May 24, 2020 7:00-9:00 PM	Cub Leader Basic Training: Part 2 of 2	All Cub Scout adult leaders	This is the second half of the training we're starting on May 17. In Part 2, we'll split into breakout sessions with more detailed topics for each position (Den Leader, Cubmaster, Pack Committee). We'll also come together to talk about ways to build stronger dens and packs with active programming and family involvement. We're offering Part 2 twice to make sure to provide an extra opportunity for anyone who can't make it on May 24. Also, if you want to get trained for more than one position, you can attend on both May 24 and May 31 and join a different breakout group each time.
Sunday, May 31, 2020 7:00-9:00 PM			

What About Other Training Courses?

Adult leaders can still take many training courses available on demand from the BSA at <https://my.scouting.org>. Scouts BSA and Venturing youth can take Den Chief training online at www.scouting.org/training/youth/den-chief-training. We normally run in-person versions of many of these courses, but some are hard to deliver well in a custom webinar. For example, our in-person Den Chief course focuses on hands-on group activities (crafts, wide games, role plays), and it's hard to do this well online. For this reason and others, we encourage you to take the standard BSA training for now.

A few other training courses like BALOO, IOLS, and Wilderness/Remote First Aid require a lot of physical hands-on skill practice. It's just not possible to meet the learning objectives effectively in a virtual setting. Regrettably, this means we can't offer these training courses right now. We look forward to offering live courses again when it's safe to do so!

What Else Can I Do From Home?

- 1. Renew Youth Protection Training (YPT)!** This two-hour training expires every two years. If you've been registered as a leader for a while, chances are you took it in 2018 when the BSA made everyone take the new course. That means you need to retake it in 2020. Get it done! Visit <https://my.scouting.org>.
- 2. Take other position-specific training (PST) online.** If you're a Cub Scout leader (any position), Troop Committee member, Merit Badge Counselor, or many other positions, you can complete basic training for your position at <https://my.scouting.org>. See the requirements to be  for your position in our Quick Guides at www.mayflowerbsa.org/training. Every Scout deserves trained leaders!
- 3. Fix your training records!** Some old courses may be missing, especially for longtime Scouters. Log into <https://my.scouting.org> to check your training completions. If something is missing, please contact your district training chair or the council training chair (see below) to start. We generally ask for proof via certificate or course director confirmation.
- 4. Earn a training knot!** See application forms with requirements at www.scouting.org/training/adult.aspx (scroll down to "Training Awards"). Forms can be signed electronically or scanned and emailed to awards@mayflowerbsa.org. From there, they'll be routed to your district training chair for approval.
