Membership Form Update

Important Update from the National Council regarding membership forms:

New registration applications no longer have duplicate copies

included. This was a conscious decision based on a units' access to member information through BSA's online systems. Units have access to both youth and adult leader information through both my.Scouting and Scoutbook, which is now free for every unit.

Both of these systems update overnight after the registration is posted by the council through ScoutNET, or immediately after an online application is approved by the unit. Additionally, privacy of personal information is a constant growing concern today and removing these additional copies helps to keep individuals personal information from being non-securely passed around or disposed of by volunteers.

Congratulations to the nearly 100 units who have at least 50% of their adult leaders trained for their positions... and a few who've made it to 90% or more! If you haven't received your ribbon yet, you'll get it soon.

If you're not trained for your position yet, do yourself and your Scouts a favor and become trained! Read our "Quick Guides" at www.mayflowerbsa.org/training to learn about the requirements and how to complete them.

Boost Your Outdoor Skills

April 14 is the deadline to register for **Introduction to Backpacking** (April 27-28). This new course is ideal for adult leaders who'd like to build skills and confidence to take their Scouts backpacking.

Registration is also open for **Beyond the Basics** (June 15). Adult leaders can join us at Camp Squanto for a "choose your own adventure" with opportunities to learn advanced rope skills, orienteering, cooking, woods tools, etc., from experienced Scouters. It's a great chance to build skills beyond what we teach at BALOO and IOLS.

Calling All Youth Leaders!

Coming this summer: a fun six-day overnight course filled with team-building activities, content sessions, and a patrol outpost. We're running National Youth Leadership Training (NYLT) at Camp Squanto and Camp Resolute for youth in Scouts BSA, Venturing, and Sea Scouts. Participants work together in patrols to develop skills in decision making, planning, communication, and cooperation in a model unit. These skills are key to success in any youth-led unit. To register and learn more, visit www.mayflowerbsa.org/event/hylt-camp-squanto and www.mayflowerbsa.org/event/hylt-camp-resolute.

District Committee Training

Did you know the BSA has "position-specific" training for district committee members? This training will go online soon, but for now, the best way to earn it is in person. If you missed our workshop in January, come to the next edition on May 4 in Marlborough! Registration is open.

"Leave No Trace" Training, Explained

- **Awareness** training can run from 30 minutes to a full day. The BSA has online resources and a "Leave No Trace 101" curriculum, or a session can be customized. If you're signing off on outdoor ethics advancement, or you're an Outdoor Ethics Guide (youth position in a troop), take this level of training.
- **Trainer** training is a two-day course. Our council offers it in May and September. This training is recommended for anyone teaching Leave No Trace in a formal session.
- **Master Educator** is a five-day course. Master educators develop expertise and become qualified to teach LNT Trainer courses and more.

Visit www.scouting.org/outdoor-programs/outdoor-ethics or contact our council's Outdoor Ethics Advocate, Pete Lane (pete.lane@comcast.net), to learn more.

Climbing and COPE Training

Are you interested in becoming a certified climbing or COPE instructor? Our neighbors at Spirit of Adventure Council are running a course for our area on two weekends in May. Age 15 and up; register by May 1.

EVERY SCOUT DESERVES TRAINED LEADERS!

My Wood Badge Ticket

Dear Mayflower Council Volunteers,

My name is Deb MacGregor. I am currently working on my Wood Badge ticket. My project is to gather the names and contact information for Mayflower Council volunteers who would be willing to help out by rendering first aid at events or by teaching for training of adult volunteers or youth members. By answering my survey you are in no way committing to any obligation other than that you are a volunteer in the council who is willing to help out at some time in the future.

I was approached by several leaders expressing that it is extremely difficult to find qualified adults to cover first aid stations at events, teach first aid at events, etc. I am gathering information to create a database that we can all use to help us get coverage when needed.

Please take a few minutes to answer my survey so that I can make this database for all to use.

YIS, Deb MacGregor

LIVE – Youth Protection Training (YPT)

We'll be offering the live version of youth protection training (YPT) for adult leaders. All our currently registered leaders should have already taken YPT in 2018, and that certification is still good for two years. But, if you have new leaders who need this training, parents who'd like to take it, or experienced leaders who want a refresher, we encourage them to come to this live training!

It covers the same material as the online course, and it offers the same credit... along with a chance to discuss and ask questions.

Pre-registration is appreciated

Membership Card & Charter Certificate Printing

The Boy Scouts of America is committed to basic operations by putting tools in the hands of volunteers. For several years now, individuals and unit key 3 have had access to print membership cards through my.scouting. In addition, functionality will be added to my.scouting by January 1, 2019, to enable members of the unit key 3 to print their unit Charter Certificate.

This “self-service” functionality allows volunteers to print membership cards and the unit charter certificate in a timely manner and enhances the on-boarding experience for new youth and adults.

Units will need to print their membership cards and charter certificate, instructions for doing so are below.

MBU Training Dates Shifted

Due to the March 2 Merit Badge University (MBU) "snow day," we've shifted the MBU adult training courses in line with the new MBU schedule. March 2 courses (Scoutmaster PST, CPR, and First Aid) will now be on March 9. The March 9 Troop Committee PST will now occur on March 23. These changes are reflected in the schedule above. Online registration has been extended.

Looking for Advanced Skills?

We often hear from adult leaders who'd like to learn more than the basic camping skills that are taught at BALOO and IOLS. Well, here's your answer!...

- **Intro to Backpacking: April 27-28.** Hands-on training to build adult leaders' confidence in taking Scouts backpacking. Registration is open!
- **Beyond the Basics: June 15.** A relaxed day at Camp Squanto with opportunities to learn advanced rope skills, orienteering, cooking, woods tools, etc., from experienced Scouters. Registration open soon!

March 16 is Cub Scout Leader Training Day

It's been on the calendar for a while, and we finally have the details!

- March 16, 8:30am-12:30pm, at Foxborough Regional Charter School (conveniently located near I-95 and I-495).
- We'll run separate sessions of position-specific training for Den Leaders, Cubmasters/Assistant Cubmasters, and Pack Committee members.
- We also hope to run workshops on a few additional program topics. Please tell us what topics you'd be most interested in when you register!

There are many benefits to completing your basic leader training in person instead of online. Here are the "bonuses" we're offering on March 16:

- Leader guides for sale, registration materials, and other resources to save you a trip to the council office or the Scout store.
- Fun activities for your Cub-age youth while their parents are getting trained.
- A chance to meet fellow leaders and get resources to help your program!

Please register at www.mayflowerbsa.org/training.

Youth Protection Training Revised

Don't worry; this is not a new requirement. But we do want you to be aware.

On March 1, the BSA updated its official online youth protection training (YPT) course. It includes policies and procedures implemented since the last revision in February 2018, as well as four new optional modules for anyone who would like to become better at recognizing and dealing with violence, physical abuse, emotional abuse, and neglect. When we offer in-person YPT, we will cover the required parts of the new training.

If you have a valid YPT completion, it's still good for two years. You do not need to retake this new course right away. But we do want you to be aware that anyone who takes YPT from now on will be taking the new version—and it's there for anyone else who wants to learn more.
