Scouting is Part of You

If you have been watching this spot on MayflowerBSA.org, it comes as no surprise that ScouterStan on YouTube is a favorite stop on the "InterWebs."

Stan Richards, an Orlando-based Eagle Scout and Silver Beaver award recipient was part of a professional Scouting family. He continued his Scouting journey when his son became a Cub Scout. Later, Richards joined a district commissioner staff and now spreads his love of Scouting via YouTube, beginning that career via a Wood Badge project in 2006.

7 Knots Every Scout Should Know™ – First Knot Tying Video on YouTube – Scouting Knot

Now six seasons into his ScouterStan show/podcasts, Richards, a unit commissioner in his council, recently posted a pick-me-up video for any Scouters feeling the weight of nearly three years of tough headlines, pandemic-planning, virtual meetings, and canceled plans.

The video “Scouting is a Part of You” takes things down to brass tacks and reminds all of us who “wear the shirt” why we do what we do and why it is so important.

The video and its text are below:

Scouting is a Part of You

“Scouting is a part of you. You know how important it is for all of today’s youth. Scout leaders work hard for the benefit of others to achieve. All the while, remembering your commitments to the Scout Oath. Living an exemplary life, and putting the Scout Law into action in all that you do. You truly know that leadership is more than anyone ever thinks it is. It’s living and acting as the example, and not the exception. The young people you work with will always remember you. How you act with others will leave them smiling, and thinking about how to do better. Leaders often face many challenges and need to know they are not alone. Use all your skills and resources you have to make things better for all Scouts and Scouters. Occasionally, the difficulties cannot be resolved. When this happens your leadership is more of an example than you might think. Your character in accepting things you can not change will prove your wisdom. Always looking forward to solutions that help others find a better path. Mentoring Scouts and helping them make good decisions can only benefit everyone. As you know, Scout leaders are there, for all scouts, no matter what. One day, when your good turn is done... You can look back on all the young lives your

leadership has influenced. Their success was made possible by your guidance... your leadership. When you recall all their success, remember you are a part of it. Never forget them shaking your hand and looking up at you. This is what it's all about! You have made a real difference, and you have made a better world for being there. Scouting is a part of you... Now go make the world better for being a Scout leader."

Meanwhile, speaking to the level of commitment necessary to be a Scouter, Stan posted a new video entitled, "Making the Most of Your Time in Scouting."

Again, Stan spoke from the heart, honestly and purposefully, to give a lot of information on creating a fantastic program for our youth.

Youth Applications Online Transition

As we continue our work to enhance the traditions of Scouting here in the 21st Century and augment the privacy and safety of our membership, the Mayflower Council will soon look to move most membership functions online. Long story short, the days of youth paper-based membership applications are coming to an end.

Mott Receives National Recognition

While we're all in it for the youth of Massachusetts; however it's great when our leaders and volunteers are recognized for their hard work.

Recently, The Benevolent and Protective Order of Elks Lodge (No. 1476 Plymouth) reported Plymouth's Michelle Mott was awarded "the Marvin M. Lewis Award" by the Elks National Scouting Committee.

WickedLocal.com posted:

Eight years ago, Mott's son joined Pack 47 in Plymouth, Cranberry Harbors District, Old Colony Council, now part of Mayflower Council. Within the first year, Mott was serving as den leader for her son's Tiger Den. She continued as den leader with her son for Tiger, Wolf, Bear, Webelos, and Arrow of Light rank. Mott also became more involved in Pack 47 eventually becoming the Cubmaster, serving for three years.

She also volunteered on the Cranberry Harbors District Committee. For the past four years, she has been involved with the Activities Committee helping to organize District and Council events ranging from 200-750 scout attendees. Chuckwagon, Webelos Woods, Webelos Klondike and Polar Challenge are some of the many events she has helped organize.

“Although fully position trained with many awards and recognitions, Mott had planned to end her tenure as a scouting volunteer when her son crossed over into a troop,” added WickedLocal. “However, the BSA made changes that affected Mott. In 2018, girls were allowed to join Cub Scouts and form girl dens, which meant Mott was going to repeat the journey she had made with her son, Adam, except this time with her daughter, Rachel.

“During all this, Mott continued to expand her Scouting skills and training.”

Due to her hard work, Mott received the Lewis Award, which recognizes Elks members that:

- Have brought Scouting to more youth
- Have assisted local Elks lodges in forming Scouting units
- Are fully trained in the skills of Scouting and are outstanding role models
- Have contributed significantly to Elks and Scouting by bringing the two movements together to serve the community
- Have offered Scouting to all youth regardless of race, creed or income level, and have been instrumental in organizing Scouting units, especially in inner-city or other low-income communities

deserves some recognition, be sure to email us here at Mayflower Council.

Extensive New Member Marketing Campaign

At their February 16 council executive board meeting, \$250k was approved for a major marketing campaign to help entice new members to join Scouting in Mayflower Council. The campaign is being directed by the Council Marketing Committee and managed by Mittcom, a local marketing firm who excels at integrated campaigns unitizing social platforms. The executive board agreed to direct the funds from the council endowment fund.

Guidance on Donations to Ukrainian Scouting

Many volunteers have requested information on how to help Scouting in Ukraine. Please see the official statement from the World Organization of the Scout Movement (WOSM) below.

WOSM recognizes one National Scout Organization per country. For Ukraine, the Member Organization is National Organization of Scouts of Ukraine (NOSU). We encourage all NSOs that any Scouting support is channeled through the mechanisms made available through WOSM.

We are aware that many other non-WOSM but Scout-like entities are active in the region, including PLAST. We are not affiliated with organizations in Ukraine besides NOSU.

In most cases, the best way to help with the unfolding humanitarian crisis is to make a financial contribution through WOSM or another reputable NGO.

To directly support Scouts' humanitarian relief work in Ukraine and for refugees, you can donate here. Representatives on the ground know what is needed and financial contributions help them purchase the most needed and locally-appropriate supplies.

Moreover, you have some Scouts who need, need, need to do something – anything – outdoors. Well Scouters, we here at your Mayflower Council have the solution. Actually, we have many solutions.

Update on the 19 Cub Scout Elective Adventures

In May of 2021, it was announced that 19 Cub Scout Elective Adventures would be retiring at the end of this program year (May 2022). See details [here](#).

Elective adventures are reviewed for content and popularity. These 19 have been the least popular based on sales and advancement data. They will be archived in Scoutbook and Internet Advancement, removing the ability to mark them as completed after the retirement date of May 31, 2022. These 19 adventures are not being replaced with a new set of elective adventures.

Inventory at the Scout Shops for loops and pins is limited and will only be available while supplies last. Cub Scouts can still wear the adventure loops and pins after that date. Once it's earned, it's not taken away from the Cub Scout.

STEM Nova Award Impact – STEM Nova Awards that include Adventures also include an Option A and Option B to earn the award. Cub Scouts may choose to earn one of the remaining Adventures or Option A or Option B.

World Conservation Award Impact – The Wolf and Webelos rank are impacted. The Bear rank has no changes.

For Wolf Scouts who want to earn the World Conservation Award, the requirement to earn the Grow Something Elective Adventure will be replaced with the following activities:

1. Select a seed, and plant it in a small container. Care for it for 30 days. Take a picture or make a drawing of your plant once each week to share with your den or family.
2. Find out the growing zone for your area and share the types of plants that will grow best in your zone.
3. Visit or research a botanical or community garden in your area and learn about two of the plants that grow there. Share what you have learned with your den or family.
4. Complete one of the following:
 - Make a terrarium.
 - Using a seed tray, grow a garden inside your home.

Keep a journal of its progress for 30 days. Share results with your den or family.

- Grow a sweet potato plant in water. Keep a journal of its growth for two weeks. Share the information with your den or family.

For Webelos (including Arrow of Light) Scouts, the requirement to complete 1, 3a, and 3b of the Adventures in Science adventure will be replaced with:

1. Draw a picture of a “fair test” that shows what you need to do to test a fertilizer’s effects on plant growth.
2. Carry out the experiment previously designed as a fair test of fertilizer’s effect on plant growth.
3. Carry out the experiment again but change the independent variable. Report what you learned about how changing the variable affected plant growth.

Grace W. Opens Friends of Scouting Campaign

Scouters, Scouts, Friends, and Family Remain Impressed with Mayflower Council Standout...

Sometimes you just have to stop and listen. Such was the state of affairs at the annual Friends of Scouting (FOS) opening event held in January.

Newton's Grace W., one of the first-ever young women to earn Scouting BSA's highest honor – Eagle Scout – spoke to a packed room of loyal Scouting supporters.

Conversations paused, and tasty appetizers remained plated; young and old alike listened to White as she reminded everyone about the many merits of Scouting.

In short, Grace loves it all.

“With my troop behind me and with the motivation of the adult leaders,” began Grace, “I was able to achieve my dream of

reaching Eagle.”

“But if I were to sit down and pick out one aspect of Scouting that has shaped me the most, I could not tell you,” she continued. “There have been so many parts of Scouts that have shaped me as a person.”

However, the final journey to Eagle remains omnipresent in Grace’s mind.

“The whole Eagle process, in general, was really impactful,” said Grace, who now attends college in Boston. “As you all know, every Eagle Scout that you meet they have gone through a lot to get to where they are.”

For Grace, the work toward Scouting’s ultimate goal had a hard stop, particularly as she began her work only a year and a half before her 18th birthday. But while the Scout handbook and merit badge work were daunting, it’s the Eagle service project that dominates Grace’s story.

Meanwhile, with her project set smack dab in the middle of the COVID-19 pandemic, White looked to make an immediate impact with her project – an outdoor classroom.

“I thought that I could benefit my community by building a safe outdoor space for students to learn,” she explained. “During the project, I learned a lot about leadership, and with my time constraints, I had to work extra hard to make sure that everything in my project was absolutely perfect.”

However, even a special Eagle service project has its defects.

“And if I’m being honest, [the project] wasn’t perfect,” admitted Grace. “But I think that’s the thing about doing these projects, especially as a young person, is that it’s not going to be perfect, but you get to learn something from it.”

And, amid her efforts, Grace learned the power of community.

“For me, I learned how nice people can be,” she emphasized. “I got a lot of help with my project; from people in my troop, my friends, and my family – everyone was so supportive, and it felt great to have *that* kind of people around.”

Of course, at the FOS dinner, Grace was surrounded by “*that* kind of people.” Moreover, you can join that fantastic crowd by lending your pledge to help Scouts like Grace reach the pinnacle of Scouting and, in turn, serve others in the process. [Click here to begin.](#)
