

Council Service Center Adverse Weather Policy

With the impending snow storm we would like to remind our community about our adverse weather policy. The council follows the lead of the Milford school system when setting its adverse weather policy. If Milford Public Schools close, so does the Milford Service Center. If the Milford Public Schools announce a delay (1 hour delay for example) the council service center delays its opening by the same time. We encourage everyone to follow the weather and school closure reports on Boston media such as WCVB Channel 5 in order to stay informed and up to date on school closings and weather alerts.
