Weekend Two: October 27th – October 28th at Camp Squanto

Who should take Wood Badge? All leaders should take this course, including committee members, district/council committee members, unit commissioners and scouting professionals.

When should leaders take it?

Leaders should take this course as soon as they are “fully trained”. Isn’t it better to have a skill BEFORE you need it rather than AFTER you need it?

Why do you want to go?

- The primary purpose of the Wood Badge experience is simple—to strengthen Scouting in our units, districts, and council. Every Scout deserves a well-trained leader.

- It provides dedicated Scouters with the concepts, tools, and methods needed to be effective leaders.
- Wood Badge creates a structured opportunity to develop and apply critical leadership skills. Leadership is a skill that is used everywhere, on a daily basis.
- Attending Wood Badge will make your Scouting job easier. Attendees gain an in-depth understanding of the skills of leadership. The skills you learn will help you become a more effective leader in Scouting, your career, your family, and your community life.

Why attend THIS Pilot course?.

- Aside from Philmont and Sea base, you will be the first in the BSA to experience the most significant curriculum update since 2002. The actual Centennial curriculum will not be rolled out nationally until 2020 for all other courses!
- Shape the future! Participate and provide feedback on the updated material and directly impact those who will attend Wood Badge in coming years
