

Mott Receives National Recognition

While we're all in it for the youth of Massachusetts; however it's great when our leaders and volunteers are recognized for their hard work.

Recently, The Benevolent and Protective Order of Elks Lodge (No. 1476 Plymouth) reported Plymouth's Michelle Mott was awarded "the Marvin M. Lewis Award" by the Elks National Scouting Committee.

WickedLocal.com posted:

Eight years ago, Mott's son joined Pack 47 in Plymouth, Cranberry Harbors District, Old Colony Council, now part of Mayflower Council. Within the first year, Mott was serving as den leader for her son's Tiger Den. She continued as den leader with her son for Tiger, Wolf, Bear, Webelos, and Arrow of Light rank. Mott also became more involved in Pack 47 eventually becoming the Cubmaster, serving for three years. She also volunteered on the Cranberry Harbors District Committee. For the past four years, she has been involved with

the Activities Committee helping to organize District and Council events ranging from 200-750 scout attendees. Chuckwagon, Webelos Woods, Webelos Klondike and Polar Challenge are some of the many events she has helped organize.

“Although fully position trained with many awards and recognitions, Mott had planned to end her tenure as a scouting volunteer when her son crossed over into a troop,” added WickedLocal. “However, the BSA made changes that affected Mott. In 2018, girls were allowed to join Cub Scouts and form girl dens, which meant Mott was going to repeat the journey she had made with her son, Adam, except this time with her daughter, Rachel.

“During all this, Mott continued to expand her Scouting skills and training.”

Due to her hard work, Mott received the Lewis Award, which recognizes Elks members that:

- Have brought Scouting to more youth
- Have assisted local Elks lodges in forming Scouting units
- Are fully trained in the skills of Scouting and are outstanding role models
- Have contributed significantly to Elks and Scouting by bringing the two movements together to serve the community
- Have offered Scouting to all youth regardless of race, creed or income level, and have been instrumental in organizing Scouting units, especially in inner-city or other low-income communities
